

REMARKS

Claims 1, 34 and 129 are amended. Claims 1-11, 16-25, 32-42, 44-51, 125, 126, and 129 are in the application.

The independent claims are amended herein to insert a comma for improved readability in the claims. No change in scope occurs thereby.

This filing also constitutes Applicant's statement of the substance of the Interview conducted on August 28, 2007. In the interview, the Examiner indicated that she found claims 1, 34, and 129 allowable only if the subject matter of claim 26 was included therein. Applicant agreed to such in order to obtain allowance, and without any admission or agreement to the propriety of the Examiner's rejection or requirement that claims 1, 34 and 129 were allowable only if the stated language was added. During the interview, the undersigned further agreed to the cancellation of claim 26.

The above amendments to include commas could not have been made earlier, as the Examiner's amendment which did not have the commas was just received. Accordingly, it is appropriate to enter this amendment at this time.

Respectfully submitted,
